Locking

Integrated interlocking corners allow safe transport and storage processes.

Labelling fields

Boxes can be individualised with hotstamping of lettering, logos or sequential numbering.

Stippled area

Special stippled area for easy attachment and removal of adhesive labels.

Transponder bracket

Bracket for optional integration of RFID tags for optimised traceability.

Injection-moulded runners

One-piece injection-moulded box with robust runner connections. Increases lifetime and hygiene and facilitates ideal running on conveyors.
